Subject: 3rd World InterUniversities Championships – EuroBarcelona 2017

Dear Friends,

we have been informed on the 3rd World InterUniversities Championships – EuroBarcelona 2017, which will be held in November in Barcelona (ESP).

We would like to inform you that the event and its organizer, the InterUniversities Sports Committee (<http://www.wiusc.com>), has no relation to the European University Sport Association (EUSA). EUSA has also not granted any endorsement to this event.

In order to avoid any confusion or misunderstandings, we would like to recommend you to inform the universities in your countries that the event is not endorsed by EUSA, as well as not from FISU, as also stated in their circular letter.

Thank you for your cooperation in advance.

We are looking forward to meeting you on the 2017 European Universities Championships!

Best regards,

Adam Roczek,
President

Matjaz Pecovnik,
Secretary General
